

THE WIMBLEDON HOCKEY CLUB

SAFETY CHECK GUIDELINES FOR COACHES

Coaches are required to have with them at all times:

- A First Aid Kit including clean water and an ice pack
- The link to the Coaches Hockey Databases with the player information, parent contact information and medical information for the players which sent out at the beginning of season in electronic format for all coaches to download
- All parent contact information can be found on your Teamer app as well
- Access to a phone and/or the location of the nearest land line and A&E Department

PLAYER PROTECTION

No players will be permitted to play with mouthguards and shin pads

PC Masks are to be provided by all players in defensive PC's – if you have a bag of spare PC masks please make sure you take them to matches. Please ensure that any defensive Penalty Corner players have masks. Players are reminded regularly to have PC masks

PRE-SESSION / MATCH CHECKS

Pitch
