## STATEMENT ON DISCRIMINATION

The officers at The Wimbledon Club strongly condemn all forms of discrimination. The racism aimed at some of the England football players on social media and elsewhere following the Euro 2020 final was appalling. Anyone involved in such behaviour is not welcome at our club.

Discrimination has no place in sport or society at any level. The club is committed to diversity, inclusion and equal opportunity.

Such values are enshrined in the Club Charter Wimbledon Club aims to create an enjoyable environment for all juniors who wish to take part in Cricket, Hockey, Squash, Tennis and (other) social activities at the club.
